

CurvaSpan

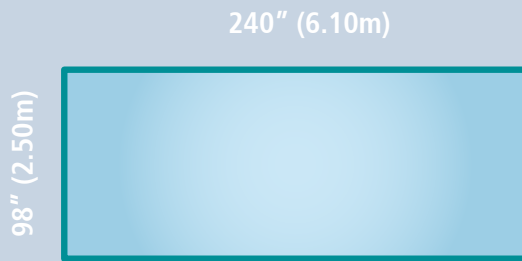

Coated glass with a ceramic frit paint primarily for spandrel applications.

CurvaSpan ceramic frit coatings are factory applied and fused to the glass during the heat treating process making them highly resistant to abrasions and scratches.

Manufacturing Capabilities

- All glass colors
- 1/4" to 3/4"
- Flat
- Curved
- Low E
- Holes, notches & cut-outs
- Edge Finishes
- Laminated
- IGU
